How to become member of EURAO

Amateur Radio News...

EURAO for Ukraine nuevo

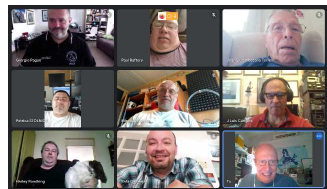

Volunteer members of the **European Radio Amateurs' Organization** are helping Ukrainian residents from their respective countries, starting with the transfer from the Romanian border and continuing through the passage or reception in other European countries such as Italy or Spain.

From the first needs of water, food or warm clothing, to accommodation or paperwork for their stay in the country of destination, they are accompanied by these volunteers.

If you want to contribute in any way to this collective and selfless effort, you can contact them through: forukraine@eurao.org.

Thanks in advance for your solidarity and true ham spirit!

EURAO General Assembly 2022: on July 2, virtual again nuevo

The scheduled date for this year's **EURAO General Assembly** is: **Saturday, July 2, 2022, at 17:00 CEST** (15:00 UTC).

All members are invited to participate. Remember that only associations have the right to vote according to the Statutes.

As in the last editions, it will be held virtually using the Google Meet platform. If you are interested in participating, ask for the link.

EURAO Party - Summer 2022: ad libitum

The **European Radio Amateurs' Organization** announces a new party on the air, this time with the motto: "*ad libitum*". Remember this is not a contest, it is just a radio meeting with a few simple 'rules', better to call them recommendations.

Purpose: *ad libitum* is a Latin phrase used in music that means at your own pace. So, this time, the Party has not an specific purpose other than each one does the radio he/she wants during that period of time and at the end we will see the global results. Of course, as always, it's about having fun and meeting other hams all over the world.

Date & time: July 1st to 31th, 2022, 00:00-24:00 UTC.

Bands & modes: all modes and frequencies, mainly in HF bands, but not only. [EFG](#).

Call: "CQ EURAO Party".

Exchange: the usual RS(T) and callsign as required.

Logs: for statistic purposes only, we ask participants to submit their logs to party@eurao.org in ADIF format, where the filename should be your callsign (e.g. EA3RKF.ADI).

There will be no results or league tables, only statistical information about number of QSOs, countries, callsigns, OMs/YLs/Clubs, etc.

Certificate of Participation: for all those sending the log and without a minimum of confirmed QSOs.

EuroBureauQSL: you can use it to interchange QSLs even if you are not member. In this case, just send the QSL to the entry point in the country of the station you have contacted.

About our members...

Romanian Contest Team

nuevo

RCT, YPOK, founded in 2018, is an association of radio amateurs dedicated to the contests but not only. **Goals:** have fun, friendship, help beginners, grow up together with new team members, share knowledge and experiments results, innovation,

encourage youths to participate in contests and look for the best way to become better and better! It organizes introductory courses and a large annual ham radio meeting.

RCT became member club of **EURAO** to expand the scope of its activities.

773 Radio Group

nuevo

773RG, IQ0XV, founded in 2016, is an Italian association of radio amateurs, born out for fun, friendship, the desire to learn, to experiment, to joke, to build... It has two associative branches: one for HF and another for repeaters, digital systems, networking, APRS, etc. It manages also a permanent award for IIO MPO.

773RG became member association of **EURAO** because it was interested in its services and representation.

Associazione Onda Telematica

nuevo

AOT, IQ00T, founded in 2010, aims to contribute to the dissemination, knowledge, study and use of radio communications and telematic systems used for the purposes of mutual aid and public utility, mainly in the solidarity field of civil protection. It also intends to support and enhance the presence of radio amateurs in public life, highlighting the primary purpose of their work and developing their educational and social orientation, with the intent to act in favor of the community.

AOT became member association of **EURAO** considering it is the only one representing radio amateurs globally in freedom and democracy.
